

Making Kayak Building a Success

You have probably already seen the instruction for building your kayak but I think that the following information may clarify what you'll need for Build Day 2.

	Quantity	Like this
Milk Jugs (1 gal or ½ gal)	2 - 3	
Latex Gloves	10 - 20 pairs	
Cheap Paint Brushes 1½ - 2" wide	10 - 20	
Power Drill & assorted drill bits & countersink	1	

Making Kayak Building a Success

Pencil	3+
